

Principles of Teaching, Learning and Feedback. At Newton Road School we provide...	
Challenge	Purposeful Positive Practice
<p>So that...</p> <p>Children have high expectations of what they can achieve.</p>	<p>So that...</p> <p>Children can engage in well thought out activities in a range of contexts.</p>
Explanation	Modelling
<p>So that...</p> <p>Children acquire new knowledge and skills.</p>	<p>So that...</p> <p>Children can apply knowledge and skills and make connections with previous learning.</p>
Questioning	Feedback
<p>So that...</p> <p>Children think about their next steps and apply their knowledge with breadth, depth and accuracy.</p>	<p>So that...</p> <p>Children reflect and take ownership of their learning to further develop their knowledge and skills.</p> <p>We recognise that feedback can take many forms.</p>
Context	A Strong Ethos
<p>So that...</p> <p>Children are motivated to apply and develop the knowledge and skills that they have acquired.</p> <p>This will look different across the curriculum.</p>	<p>So that...</p> <p>Children can:</p> <p>Dream of a bright future, Believe in themselves and Achieve their potential in school and throughout their lives.</p> <p>This is embedded and reinforced through the school's P.R.I.D.E values.</p>
