

8th October 2018

Dear Parents/Carers,

Newton Road School will now be supplying each child with their own water bottle to keep at school for use during the school day. These will remain in school and will be washed on a daily basis. Therefore, from Monday 15th October there will be no need to send your child into school with a water bottle for the classroom. If you provide your child with a packed lunch, please ensure this includes a drink.

Kind regards

Miss Kerry Mills
Principal
