

Dear Parent/Carer,

At the start of the academic year I wanted to write to you personally to welcome you and your child to the Nene Education Trust.

As I hope you are aware, Newton Road School was formally approved to join our family of academies in the summer. The schools in the Trust work well together and collectively there have been some real successes.

Owing to our achievements, the Trust was able to welcome yourselves and Windmill Primary School in Raunds to the family of schools.

This is an exciting development. With the support of the amazing staff and students at Windmill we have a much stronger network in place to share ideas and resources. We can look at more joint trips and activities for our pupils, and we can offer enhanced training and development for all our staff.

It has also been the ideal opportunity to look at the identity of the Trust. As we discussed in the consultation period, the Trust was known as the Manor Learning Trust. Whilst Manor School Sports College is a vital part of our network, every school has an equally important role to play. As such, it was right that our name and branding reflected this.

You will, see therefore that we are now known as the **Nene Education Trust**. Our focus is firmly on **developing character, celebrating achievement and raising aspiration** for all children and young people in our schools.

This change is just one of a number of new initiatives and we look forward to working with all our staff, parents and students over the coming weeks and months to help our academies go from strength to strength.

If you do have any questions, then please contact your child's school.

Warm regards,

Chris Hill  
CEO
