

Wednesday 16<sup>th</sup> January 2019

Dear Parents/Carers,

As part of our 'Bella Italia' unit of work we are currently completing, we would like the children to complete a homework project to support their wider learning.

The children need to choose 1 of the activities that they would like to do from the list of activities below. We expect all parts of the project to be presented to a high standard and the children's own work. The children will be able to choose how to present their work providing they meet the given task.

Create your own explorer board game. Can you discover the main attractions around Italy?	Create your own papier mâché building. Could you make the Leaning Tower of Pisa lean or make a magnificent Colosseum?
Research and write a report on the main tourist attractions around Italy discussing why and when they were built.	Speak Italiano! Create your own Italian alphabet, writing an Italian word for each letter of the alphabet and showing what it means, either by the English word or a picture.
Create your own poster on... <i>Why you would love to visit Italy!</i>	Newton Road Bake Off – Italian Showstopper! How can you use food to show the culture of Italy? For example your own pizza or tiramisu.

All homework is due to be handed in on Wednesday 13<sup>th</sup> February 2019.

All homework projects will receive recognition of effort through a certificate and the awarding of Forest Points. The homework projects will also be put on display for children and parents to share and for the children across the school to see and enjoy.

We hope you enjoy supporting your child in completing their project.

Thank you for your continued support,

Yours sincerely,

Mrs Palmer, Mrs Young and Ms Sproson
