

## Maths Fluency Facts – Foundation Stage – Spring One

By the end of this half term, you should know the following facts. The aim is to recall these facts **instantly**. You should also be familiar with using the key vocabulary.

1,2,3,4,5,6,7,8,9,10,11,12,13,14,15,16,17,18,19,20

Children should be able to count to 20 aloud.

Given any start number they should be able to continue counting on to 20.

Children should be able to count backwards from 20.

Given any start number children should be able to continue counting backwards to 0.

### Top Tips!

- Practise little and often. Why not practise on the way to school or in the queue at the supermarket?
- Use practical resources – you'll be surprised at how well facts stick if you've learnt them with action figures or food on your dinner plate!
- Could you make a poster to show what you have learnt and then teach someone else your facts?
- Make sure that learning your targets is fun and go back to them often to make sure that they have stuck.
