

13th March 2019

Dear Parents/Carers,

This year at Newton Road School we have decided that we will support Red Nose Day this Friday. We are going to be wearing 'crazy socks.' These can be anything from unmatched ones (the more outlandish the better), to socks with bits and pieces attached. School uniform is still to be worn on the day and all we ask for is a voluntary donation of £1. The money that we raise will help transform the lives of the poor, vulnerable and disadvantaged people across the UK and Africa. From restoring the sight of children in Africa to giving isolated children in the UK the support they need to enjoy their lives, the money we raise can go towards this and much, much more!

Thank you for your continued support.

Yours sincerely,

Miss Kerry Mills
Principal
