

2<sup>nd</sup> April 2019

Dear Parents/Carers,

On Thursday 4<sup>th</sup> April 2019, we are excited to be opening our 'Squirrels Italian Restaurant' to the children. This is a fantastic opportunity to consolidate the learning that has taken place this term. The children will share their knowledge of foods from around the world, experience making their own Italian dishes and then of course take part in eating the fruits of their labour. To make sure that all children are included we would ask that you inform us of any allergies or dietary requirements.

This is a list of the foods that we will taste:

- Bruschetta: Tomatoes, garlic, basil, balsamic vinegar, olive oil and bread
- Mini Cheese Pizza: Ready-made pizza dough, tomato puree, grated mozzarella and cheddar
- Ice cream: Sweetened condensed milk, double cream and vanilla extract.

If your child cannot have any of the above please indicate this on the slip below.

Kind regards,

The Foundation Team.
