

4<sup>th</sup> June 2019

Dear Parents/Carers,

**Year 1/2 Under the Sea Sculpture Workshop**

As part of our 'Waterworld' learning journey, we have invited an artist to come and work with Ants, Bees and Dragonflies to create a whole class 'art installation', using our knowledge of under the sea animals and experience working with an artist.

Our objective is to learn the techniques involved in sculpture to create lifelike art, and how to use art materials effectively.

The workshop is based during the school day, and will take place on Monday 24<sup>th</sup> June 2019.

In order to facilitate this, we ask for a contribution of £7.00 towards the cost. We are always grateful for your contributions to your child's education and hope you feel these events worthy of continued support, which ensure events like this can take place and consequently enhance your child's learning

Thank you for your continued support.

Yours sincerely,

Miss T Webber  
Class Teacher
